- Wireless Tilgin Modem
- Tilgin Modem Mounting Bracket
- 3 m Fibre Optic Patch Lead
- Siemens 5005 Analogue Telephone handset
•Installation of extra network points are excluded from this price

Questionnaire relating to future Equipment and Service offerings. (NOT part of the Basic Installation Order)

1. Contractually ATEC will retrofit all current residents with MultiChoice DSTV installations with a free MultiChoice IPTV HD Set-Top-Box (Decoder) if requested. Do you currently have a satellite dish and decoder that you would like to be replaced? Y N If Yes, Please provide SmartCard number
2. If you are not currently a DSTV subscriber, would you be interested to connect to the MultiChoice IPTV Services? A HD Set-Top-Box needs to be installed to be able to receive this service (i.e. DSTV).
 - HD Set-Top-Box (Decoder) and Installation +/-R1500
 - Normal MultiChoice Subscription packages will apply Y N
3. The basic installation cost includes one fiber connection point inside your home. However if your designated connection point is not near to your TV, then an additional network point shall be required to be installed. Do you require an additional network point to be installed in your home in order to connect your TV to the IPTV service offering. Cost R 450.00 (Incl VAT) per additional point. Y N
4. The basic installation package to Garlington Estate provides a free Telfree VoIP Line (087 number) but excludes the handset. Would you like to order a VoIP Telephone Handset? Costs R699 (Incl VAT). Y N
5. Would you be interested in a service that allows you to legally download the latest releases and older movies in the comfort of your own home and view them via your Television (Video On Demand) Subscription fees range between R99 – R299 per month? More details will be available by April 2010 Y N
